

A lush green rainforest landscape with misty mountains in the background. The text "Rainforest Animals" is overlaid in large yellow font.

# Rainforest Animals

A vibrant, high-angle photograph of a tropical rainforest. The foreground is filled with dense, multi-layered green foliage, including various types of trees and plants. In the mid-ground, a tall, slender tree stands out against the forest canopy. The background features rolling hills and mountains partially shrouded in a soft, white mist or low clouds, creating a sense of depth and atmosphere. The overall scene is bright and verdant, typical of a healthy rainforest environment.
