4

MEANING;

- 2) What does his speech mean to you?

5

ACHIEVEMENT;

Has everything improved?
If not, why not!

In your opinion, what were Martin Luther King's achievements?

I have a dream that one day this nation will rise up and live out the true meaning of its creed: 'We hold these truths to be self evident, that all men are treated equal.'

I have a dream that my four little children will one day live in a nation where they will not be judged on the colour of their skin but by the content of their character

I have a dream, that one day in Alabama, with its vicious racists, little black boys and black girls will be able to join hands with little white boys and white girls and walk together as sisters and brothers. *I have a dream* today!

Let freedom ring from every hill of Mississippi, from every mountainside, let freedom sing!

When we let freedom ring, we will be able to speed up that day when all of God's children, black and white, Jews and Gentiles, Protestants and Catholics, will be able to join hands and sing in the words of the old Negro spiritual;

Free at last!

Free at Last!

Thank God Almighty, we are free at last.

1

POSITIVITY;

If Martin's dreams came true what situations would change around the world?

Are any of these good changes visible today?
