Spring Newsletter #4

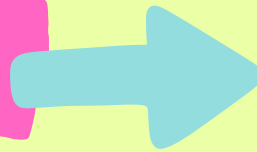

April
2024

Hello once again and welcome to our Springtime edition of the PTA Newsletter. We hope everyone enjoyed some time off over the Easter break - despite the weather!! We won't let the good 'ole Northern Irish weather dampen the spirits here at PTA HQ of course. Not when there are lots of amazing items of news to share and plenty of exciting events in the pipeline. More on that later...

Reflecting on the Winter term; it never ceases to amaze us just how generous our Andrews Family is. You really do get behind all of our fundraising efforts in such a big way and I'm sure you will agree that the results are PHENOMENAL! Organising different events which are unique, engaging and let's not beat about the bush - profitable, is a tricky business, requiring lots of planning and organising. We are grateful to have a wonderful bunch of parent and teacher volunteers spinning plates and juggling many balls! However, none of the success we have enjoyed would have been possible without YOU, the parents, grandparents and friends that make up our wonderful AMPS community. Thank you for continuing to support the work of the PTA and we hope you will enjoy reading about what we have achieved so far and what is yet to come!
